**Out-of-Production Notice: VTV-8000ST/9000ST (2<sup>nd</sup> generation)**

Dear Valued Customer,

Thank you very much for your continued business with us.

Please be informed that ViSCO's general purpose machine vision systems, VTV-8000ST and VTV-9000ST (2<sup>nd</sup> generation), go out of production.

Major parts used in the said products have been discontinued and they are now difficult to procure; we have come to a conclusion that these models are no longer available for continuous offering.

Thank you very much for your understanding on this matter, and we very much appreciate your continued choice for VTV-9000 series.

Yours sincerely,

— Note —

1. Discontinued Models

- VTV-8000ST
- VTV-9000ST (2<sup>nd</sup> generation model)

2. Schedule to Discontinue Production

Discontinued at the end of May, 2015

### 3. Maintenance Period

ViSCO offers maintenance services as far as parts are available or we have stocked parts.

In case continuing maintenance service is unavailable due to lack of parts, we would offer maintenance using an alternative product.

### 4. Replacement Models

For VTV-8000ST users, replacement to VTV-9000 series is recommended. For customer using VTV-9000ST (2<sup>nd</sup> generation), please consider the latest model of VTV-9000ST. Please contact ViSCO's sales reps for details on transition or latest models.

- End of note-

Please contact ViSCO Sales Division for any queries on this matter.
