Feb, 2017

ViSCO Technologies Corporation

Announcement: VTC-200PM00-CI End-of-Sales

Dear Customers,

Thank you very much for your continued business with us.

Please be informed that sales of VT Digital Camera [VTC-200PM00-CI] will be terminated.

Major components used in the product are difficult to procure due to out of production; continuous supply of the product is no longer possible. We very much appreciate your understanding on this matter.

We look forward to your continued choice for VTV-9000 series in the future.

Yours sincerely,

--- Note ---

1. Target Models

VTC-200PM00-CI

2. End of sales schedule

While stock lasts

3. Maintenance service period

In case of failure, please contact ViSCO sales representative.

ViSCO would receive the controller and check whether it could be repaired or not.

In case component(s) required for repair or replacement is already out of production, we might not be able to offer repair service. In such case, please consider replacing failure camera with a new model.

4. Succession Model

For details of succession model, please contact ViSCO sales representative.
