

Announcement: VTV-9000mini (mini2 / mini3)
End-of-Sales and Maintenance period

Dear customers,

Thank you very much for your continued business with us.

Please be informed that sales of the general use machine vision systems VTV-9000mini (mini2 / mini3), are terminated.

As the major components used in the product were difficult to procure due to out of production, continuous supply of the product is no longer possible. We very much appreciate your understanding on this matter.

We look forward to your continued choice for VTV-9000 series in the future.

Please see below information for the detail of the End-of-Sales.

1. Target Model

-VTV-9000mini (mini2)

Model No. [V9KMDNL2-4**]

VTV-9000mini (mini2)

-VTV-9000mini (mini3)

Model No. [V9KMDPL3-4**]

VTV-9000mini (mini3)

*If you can't confirm through the model number, please contact us with the preparation of the serial number.

2. Maintenance service period

Until March 31st, 2020

We will notify you when the end of service period gets close.

3. Maintenance support

In case component(s) required for repair or replacement is already out of production, we may be finishing the maintenance period before the planned service period. We'd appreciate for your understanding.

4. Succession Model

We hope to have your considerations for the succession model VTV-9000mini (mini6).

Please contact our sales person for the detail of the product shift and the specification of the succession models.
