VTV-9000miniR (miniR1) End of Sales (EOS) Notification

Dear valued customer,

First, we would like to thank you for your continued support.

Today, we are announcing the end of sales of our versatile machine vision system VTV-9000miniR (miniR1). We were notified of the discontinuation of one of the main parts used in the product, and due to the difficulty in procurement of the part, we have determined that we can no longer continue providing this product. We thank you for your understanding in this matter.

Thank you for continuing to use the VTV-9000 series.

We wish you continued success in your business.

Details:

1. Applicable Devices:

VTV-9000miniR (miniR1)

The applicable product model numbers are as follows:

- V9KRDPL1-2**

* If you are unable to verify the product model number of your unit, please note down the serial number and contact our company.

2. End of Maintenance Date:

May 31, 2024

We will provide further notification when the end of maintenance date approaches.

3. Regarding Maintenance:

Please note that if it is determined that the part that needs to be repaired or replaced is the above-mentioned discontinued part, we may have to discontinue maintenance before the above-mentioned end of maintenance date.

4. Subsequent Model

Please consider migrating to the subsequent model, VTV-9000miniR (miniR2).

For details regarding migration and latest models, please contact our sales representative.

End of Notice

If you have any questions, please contact our sales division:
