November 2020

ViSCO Technologies Corporation

End of Maintenance Service for VTV-9000C (C1)

Dear valued customer,

First, we would like to thank you for your continued support.

Please be informed that maintenance service for VTV-9000C (C1) will be terminated. We were informed that some major components for the product will go out of production and procurement of those parts becomes difficult; for the said reason, we have come to a conclusion that we could no longer provide maintenance service. We very much appreciate your understanding on this matter.

Thank you for continuing to use our products.

We wish you continued success in your business.

Details:

1. Product

Name: VTV-9000C (C1)

Model No.: V9KCESL1-4**

* If you are unable to verify the product model number of your unit, please note down the serial number and contact our company.

2. Schedule

End of Maintenance Date: May 23, 2021

3. Successor Product

Successor VTV-9000C (C2) is available for your consideration.

For details regarding migration and latest products, please contact our sales representative.

End of Notice

If you have any questions, please contact our sales representative.
