**End of Maintenance Service for
VT Digital Super Focusing Camera 5M pixel**

Dear valued customer,

Please be informed that maintenance service for VT Digital Super Focusing Camera 5M pixel [VTC-500CM N-series] and [VTC-500CC N-series] will be terminated. We were informed that some major components for the product will go out of production and procurement of those parts becomes difficult; for the said reason, we have come to a conclusion that we could no longer provide maintenance service. We very much appreciate your understanding on this matter.

Thank you for using our products.
