ViSCO Technologies Corporation

**End of Maintenance Service for  
Some VT Digital Cameras**

Dear valued customer,

Please be informed that maintenance service for some of the following VT Digital Cameras will be terminated. We were informed that some major components for the product will go out of production and procurement of those parts becomes difficult; for the said reason, we have come to a conclusion that we could no longer provide maintenance service. We very much appreciate your understanding on this matter.

Thank you for using our products.

Details:

1. Product

- |                                                   |                |
|---------------------------------------------------|----------------|
| • VT Digital Camera 8M Monochrome                 | VTC-800CM00-NV |
