Announcement: VTV-9000C (C1) End-of-Sales

Dear Customers,

Thank you very much for your continued business with us.

Please be informed that maintenance service for our general purpose vision system, VTV-9000C (C1) will end.

Major components used in the product are difficult to procure due to out of production; continuous supply of the product is no longer possible. We very much appreciate your understanding on this matter.

We look forward to your continued choice for VTV-9000 series in the future.

Yours sincerely,

--- Note ---

1. Target Models
 - VTV-9000C (C1)

2. End of sales schedule
 - While stock lasts

3. Maintenance service period
 - For five years; until May 23, 2021

In case maintenance service could not be offered due to unavailability of certain parts, we might provide support by offering replacement product.

4. Succession Model

We would recommend our customers using conventional models to replace with new models. For details on transition and latest models, please have a look at our announcement on launch of new products or inquire ViSCO sales representative.

End of Note

For any queries on this announcement, please contact ViSCO sales representative.
